HUNTINGDON AREA HIGH
SCHOOL

As we, the class of nineteen-hundred and seventy six, leave these halls, it will be with a deep feeling of sadness and regret. It is, however, the book of life that turns its page to summon us into adulthood.

The spirit that has been so much a part of our class will now be a silence in the halls of H.A.H.S. But, it is that spirit that is the part of us we have today that will always be with us tomorrow.

Within these pages are contained the triumphs and the defeats, the laughter and the tears, and all the memories that we as a class have made. And now it is with great pride that we present to you—our Argus.

The
Coach

George Weaver

As we, the class of this bicentennial year, reminisce about the years spent at HAHS, we recall many people and moments. Among these many people, there is one man who stands out—George Weaver, coach, teacher, and to many of us—friend.

None will forget the years of devotion and the hours of work Mr. Weaver has given 'his boys' and our community. His successful records will long remain in the memories of all fans, not only as ones of wins and losses, but as ones evidencing the quality of play and sportsmanship that he has endeavored to build in all his teams.

During his many years of coaching, including 19 years of football and 24 years of basketball, he was instrumental in developing not only boys' sports programs, but girls' athletics as well.

George N. Weaver has gained the respect and admiration of his players, the school, and the people of the town for his hard work and sincere efforts. Those who have been fortunate enough to have had a close association with Coach Weaver realize the special kind of friendship he can offer.

Because of his outstanding service to this school and its students, we, the class of nineteen hundred and seventy-six, proudly dedicate our ARGUS to George N. Weaver.

'76 CLASS OFFICERS

There have been many days in our past few school years that we have soon gone by, impressions that will last a life time. For we have come to know many beautiful people and have experienced many situations since we came together as a class back in seventh grade. If we sit down and think about it, we have spent one third of our lives with the people of our class, definitely a very long time. It can never be divorced that we are in a sense, a family.

Yet as in most families there comes a time when the young members of the family must leave their loved ones they have grown up with in search for answers of their own, and now we must also part, looking for a horizon that shall truly set us free.

It will certainly be hard to leave no matter what bad things you may have experienced here. You will miss it in some particular way, if you are totally honest with yourself, for it has been a part of your life.

With this in mind, and on behalf of all those we represent in our class, we would like to thank the people who besides our parents and friends, have helped us along the way, and—they are the teachers. The ones we've met that have played a big part in inspiring us, transcending our dreams to the goals we have set out to accomplish, and providing an air of friendship to help support us. These qualities may not be clear to us now, but time has a way of letting things fall into perspective. A teacher is the most important person in our society. It is through education that man's ignorance is stamped out. May we hope that there are always good teachers available for our children as we have had.

Finally before we close, there are those who worked very hard to piece together some remains of what we are leaving behind, and that is in a form of a book, and that thanks should go to the people who worked on the Argus. It is impossible to put everything in, for everyone has their own impression of what the most important should be. Yet in it is there, as a constant reminder, something that even the mere touch of brings back a memory.

Now it is time to say good-bye, but good-byes are not forever, if we practice the old adage, "Good friends keep in touch."

Yours truly,

Jeff Bomboy
Howard Strayer
Gayle Streightiff
Bob Banks

CLASS HISTORY

As class historian, it is my duty to try to recall the main events that have occurred during the last four years of life that the Class of 1976 has spent in this high school.

In the fall of 1972, we first entered the halls of HAHS, hearing nothing but "gossip" that it was a new day. We were soon into the swing of high school life, but we also learned we had many new responsibilities. The first of these was to elect class officers. The president was Bobby Reiness, vice-president, LaAnn Conlon; secretary Karen Manaberg; treasurer, LaAnn Fyock; and historian, Paul DePurmont. Another duty was the annual freshman magazine drive, in which our class was very successful. We had to work hard our freshman year and as we watched our first move-up day, we knew our class would become even closer yet.

Summer passed by and we were now proud sophomores. It was now our turn to yell "gossip," and we tried to convince the freshmen that there really was an elevator and that the gym was on the third floor. Again our first duty was to elect class officers. Jenny Heins was our new president, Bob Reiness was the vice-president, the secretary was Barb Weverling, and the treasurer Gayle Straightiff. The work this year was a little easier and we had the chance to get involved in other activities. Being involved in all the classes, pop-sullivan, school programs, not to mention always supporting our mighty Bearcats and Kittens, seemed this year to be a little quicker, but still not fast enough for us to ever forget the night on Flagpole Hill. In May of 1974, we were excited and honored to become upperclassmen at HAHS.

As our junior year began, we realized that our last two years in high school would determine what we would be doing the rest of our lives. Many important decisions were to be made. The class officers this year were Howard Strayer, president; LaAnn Conlon, vice-president; Gayle Straightiff, secretary; and Sue Warren, treasurer. We found this year to be our most difficult academically, as we had to work extra hard. The toughest decision for the girls during this year was to figure out what color of stone they would get for their class rings. Our biggest project of our junior year was to plan a prom for our Seniors. We decided to use "Star Dust" as our theme and we put in many long hours decorating the gym. Just seeing all your friends dressed up in all these funny clothes made all that work worthwhile. One event we didn't look forward to as juniors was taking our college boards, thinking that these scores could have a big effect on our days to come. With all of these things happening our junior year seemed by and over again it was time to move up. Our class sat with mixed emotions during this ceremony, because even though we were to become mighty seniors, good friends were leaving us and we knew that in just one more year our hearts would be as troubled as the ones of the class leaving now.

At last our senior year was here. We hoped it would go slowly even though our hearts told us it wouldn't. We knew that everything we had strived for would come to an end in a few short months so we tried to live every moment to its fullest. For our final year, the class officers chosen were Howard Strayer, president; Jeff Bombay, vice-president; Gayle Straightiff, secretary; and Bob Banks, treasurer. We didn't have too much hard work to do as seniors so we spent most of our time getting in trouble, planning homecoming, thinking about our class party, and preparing for our move-up day. Also this was the year when the prom was presented to us. In the spring we were kept busy by getting measured for our caps and gowns, mailing announcements and rehearsing for commencement. "Times of Your Life" was chosen as our class song and as we walked up the aisle for the very last time hearing Pomp and Circumstances, we knew that soon we would have nothing left of these wonderful days except memories. But we also know that these memories would remain clear and unstained in our hearts forever.

Respectfully

*Paul DePurmont
Historian*

Class Motto—Days gone past will long be remembered within the hearts of those that we have grown to love

Class Song—Times of Your Life

Good morning yesterday. You wake up and time has slipped away, and suddenly it's hard to find the memories you left behind, remember. Do you remember?

The laughter and the tears, the shadows of misty yesteryears? The good times and the bad you've seen and all the others in between, remember. Do you remember the times of your life?

Reach back for the joy and the sorrow, put them away in your mind, for memories are times that you borrow to spend when you get to tomorrow.

Here comes the setting sun. The seasons are passing one by one, so gather moments while you may. Collect the dreams you dream today, remember. Will you remember the times of your life?

Class Color—Red, White, and Blue

The Council was kept quite busy throughout the year with projects. These projects included Homecoming, Halloween Parade float, Open House, Christmas decorating contest, refreshments at games, snack time, dances, movies, and assemblies.

Mr. John L. Wyland, advisor to Council, has this comment, "The Student Council will be a dynamic organization in the school, as long as the students support it and use it in a democratic fashion."

CANDIDS

Huntingdon Area High School students were privileged and happy to have a Rotary Foundation Exchange Student, Luiz Roberto de Oliveira, Campaigner. Beto left on January 3 for his home in Sao Paulo, Brazil, but the memories he left behind assure him a place in the hearts of H.A.H.S. Students. Beto enjoyed his stay at H.A.H.S. and found all the people very friendly. He especially liked the enthusiasm showed toward sports and the strong school spirit. Beto loved watching football games, and thought pep rallies were a lot of fun.

Beto experienced some new situations that he particularly enjoyed. He had never seen the changing of the seasons and found it delightful. Fall was his favorite, but he also loved the way that people seemed "to come to life again" after the winter with the coming of spring. In the food line, Beto loved cheese cake which he had never tasted before. He also liked "American spaghetti." Beto learned to water ski and really enjoyed it. He had the thrill of shaking hands with President Ford, during a Washington visit sponsored by Valley Rural Electric.

Beto said that he will miss the United States, and he expressed his deep appreciation to his three families, the Cipars, the Bowmans, and the Niers. Summing up his year Beto said, "I had a wonderful year, I met so many nice people and learned a lot about life."

ARGUS 76

To the Argus staff of 1976,

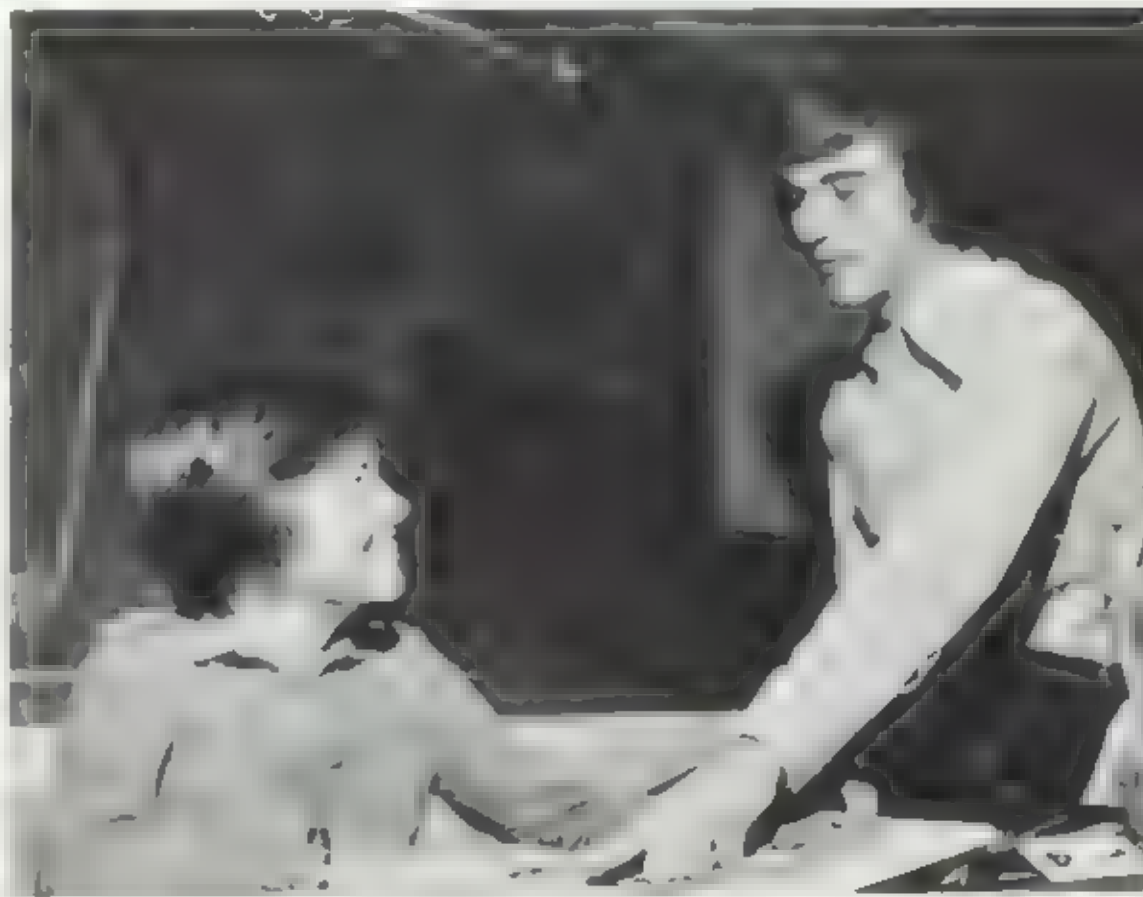

Nothing is more important than a yearbook. It is the one part of today that is with you tomorrow as a reference book to look up that "forgotten" face and a diary to recall all the happy and sad memories.

It was my privilege and pleasure to be the advisor to the small group of you who took on the responsibility of making the '76 Argus a happening.

For those of you who spent the hot summer afternoons learning what to do and the cold winter evenings doing what had to be done, I think you are "super" people and you have every right to be proud of your efforts because your Argus is "By-No-Means."

Good Luck and may God bless.

Love always,
Mrs. H.

Co-Editors in Chief Jenny Heine and Jeff Bomboy

Advisor and Financial Advisor Mrs. Linda Hornstine and Mr. James Park

Some of our most precious will be those of high school - happy times, good friends, and all of the joy and sorrows that we have shared together. Hopefully, we the Argus staff of 1976, have helped to capture some of these special moments. All of our many hours of hard work will have been worthwhile if you can turn to these pages and remember...

Love and Best Wishes,
Jenny Heine

I hope that our hard work and endeavors in this yearbook have been able to capture a small glimpse of this time in your lives. I think we tried to preserve a spirit that will remain with the Argus no matter when in your later years you may refer to these pages. I hope we've succeeded in this task. I do wish everyone the peace, love, and happiness that life can give you.

Jeff Bomboy

Advanced Placement is an opportunity for high school seniors to obtain college experience and credit. In cooperation with H.E.P., Huntingdon had ten students attending Juniata College. The school board enabled those students to choose and attend two courses sometime during the three terms, and to schedule their high school classes accordingly. Students could take any course that did not require a prerequisite. Some of the courses taken by Huntingdon students were French, Spanish, German, chemistry, psychology, and harmony and counterpoint.

Brewster and Old Lady is a comedy written in three acts by Joseph Kesselring in 1941. It has gained immense popularity over the years, been produced into a full length movie, and is considered as one of the better comedical plays written for the theater in the twentieth century.

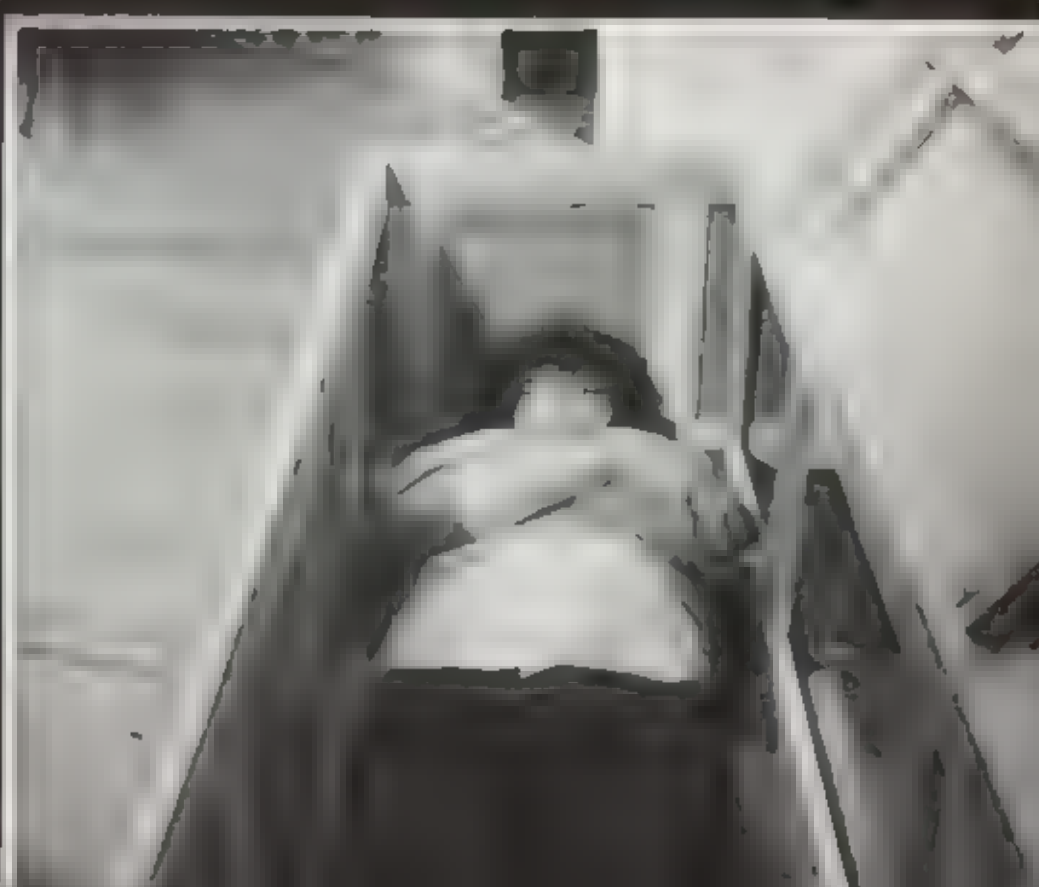

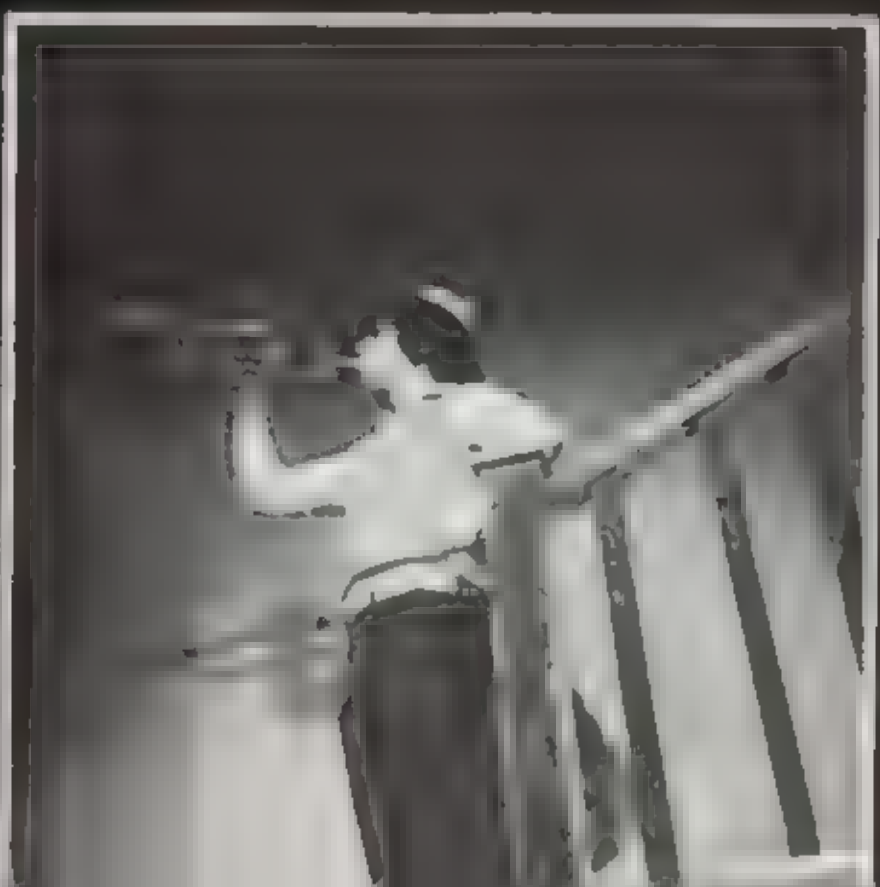

It was presented by the class of '76 in the high school auditorium on two nights, March 18, 19, under the direction of Mr. Rick Lombard (drama instructor).

The entire action of the play takes place in the living room of the Brewster home in Brooklyn.

The play centers around two elderly sisters (Abby and Martha) who poison, for the sake of mercy, old lonely men who come there looking for lodging. They have Teddy, their nephew who thinks he is Teddy Roosevelt and that the bodies are yellow fever victims, bury the bodies in the Panama Canal (the cellar).

Their nephew Mortimer stumbles upon their secret and a body that Abby has hidden in the windowseat. He becomes very nervous and worried and wants to protect the aunts from the police. In addition, he must try to hide the body from his fiance, Elaine.

The plot becomes more funny and confusing when Mortimer's brother Jonathan, who is a psychotic killer and his side kick Dr. Einstein who is a plastic surgeon, show up. They have a dead body with them, and they also stumble upon the aunts' secret.

This year's H.A.H.S. Cheerleaders, under the direction of Miss Susan Lang, showed great enthusiasm and Bearcat Spirit. Along with the regular duties of supporting the Football, Wrestling and Basketball Squads, they cheered at the Girls basketball games as well. They traveled to Tyrone, to the playoffs for the championship against Holidaysburg, once again to support the Kittens.

There are many responsibilities that go along with being a Cheerleader. As representatives of this high school, they must at all times adhere to the strict cheerleader's code, and must attend all practices. The Bearcat was responsible for all football games, and all other home events.

When asked how she felt, Miss Lang replied, "This was really a new experience for me. There were so many moments, good and bad. The job was made so much easier for me by the ever needed support of Kim Sergeant, Varsity Captain and Co-Captain LuAnn Conlon. It was also a pleasure to have worked with Sue Brown, Captain and Sue Rudy, Co-Captain of the Junior Varsity squad."

Miss Lang is looking forward to working with the girls again next year and would like to thank all of the girls for their hard work and endurance.

Dear Miss Lang

It is hard for us to express the feelings we have for you. In the past year you have become more than just an advisor you have become a friend. As an advisor you lent us your time and as a friend you lent us your ears. You were always there when we needed you—to give us understanding, encouragement, and support. Through your confidence in us we have gained confidence in ourselves. You have earned our complete trust and respect. You have filled our senior year with many fond memories. The Girls Basketball team had an impressive season this year with a final record of 10 wins and 1 loss. They suffered their only defeat of the season at the hands of the Tigers from Holidaysburg in their first game. Even so, under the excellent coaching ability of Betsy Capone, the mighty Kittens team bounced right back in the remaining games due to the skilled shooting performances of junior Brenda Geissinger and Paula King along with Chris Brown and her superior ball handling ability on both offense and defense.

The Kittens should have another successful season next year with the return of seven lettermen.

Huntingdon Bearcats, under Coach George Weaver, gave their 20 year veteran coach a fine last season with a 12-9 record

This years team had a chance at the Mt. League Championship, but didn't quite get everything together.

The Bearcat lettermen included senior Tim Henry and juniors Bill Carles, Dave Aurand, Scott Holland, Ron McGlaughlin, Scott Nier, Donnie Steele, and Greg Harbaugh.

The Cats had a lot of tough games this season with hard wins over Philipsburg and Holidaysburg, both in overtime.

Coach Weaver commented, "I feel this team has great potential, but we couldn't get much balance. I think we'll have a real good team next year."

With losing only one starter and having 7 returning lettermen, next year's team could be the potential league champ.

The Wrestling team had a 3-10 season this year. There were three seniors that wrestled this year. They were Tim Jackson, John Hoffmaster, and Brian Shope. The coaches, Robert Metz and Robert Fultz, coached thirty-four boys this year, ranging in weight from ninety-eight pounds to the heavyweight. Coach Metz said, "I have a young team, and I'm looking forward to having most of the kids back next year." Metz thought that the three seniors were dependable and were willing to wrestle in any weight class if asked to. After the regular season, the team prepared for the sectionals in Tyrone and also for the Districts in Tyrone. From there the team prepared for the regionals and state finals.

H A H S Girl's Track Team 1975

The Huntingdon Girl's Track Team had a much improved season this year. Coming from a 0-5 record three years ago, they almost hit the top with a score of 7-1, their only defeat being to Bellwood. There were 45 members of the team with many freshmen and experienced seniors. The Bearkittens took first place in the conference meet, which shows all the hard work and effort the girls put in this season

FACULTY

Mr. Robert Holmes, Principal

Mr. Cecil Jackson, Assistant Principal

As we are in the midst of the Bicentennial activities, I believe it is fitting to wish the Class of 1976 the very best for the beginning of our next two hundred years. I consider this Class to be most fortunate for you are living in an exciting period of our Nation's history. Therefore, as you the Class of 1976 commence your post-high school years, I want to encourage each of you to look to the future with anticipation and expectancy. Your generation and others to follow must forge ahead into similar uncertainties that those of 1776 encountered. I am sure that our forefathers were able to accomplish the task through sacrifice, determination, and much prayer; and I believe that our future will be bright if we continue to do the same.

We have had an excellent year, and I wish to thank each of you for making it possible. As in the past, our faculty has done an excellent job in preparing you for future goals, and I am certainly grateful to them for this dedicated effort.

May God bless each member of the Class of 1976 as you look to the future. May you consider each day as the Psalmist of Old when he said, "This is the day the Lord hath made; rejoice and be glad in it."

The American Revolution Bicentennial symbol is derived from the stars, stripes and colors of the United States flag.

The symbol takes the form of an American 5-pointed star in white, surrounded by continuous red, white, and blue stripes which form a second star. This double star is symbolic of the two centuries which have passed since the American Revolution.

These colorful stripes also evoke a feeling of festivity and suggest the furled bunting traditionally used in times of celebration throughout the nation.

The symbol is contemporary in design in keeping with the forward-looking goals of the Bicentennial celebration: "to forge a new national commitment, a new spirit for '76, a spirit which will unite the nation in purpose and dedication to the advancement of human welfare as it moves into its third century."

The Nineteen Seventy Six ARGUS Editors would like to express their deepest appreciation to the patrons for their generous contributions.

The editors supplied a lot of time and effort to put this book together, but without the great financial support of our local businesses and industries, this book would not have been possible. Although the cost of producing the yearbook has risen, the patrons have continued to supply the ARGUS with money.

We, the ARGUS Editors, would again like to thank all of our patrons and we hope you will continue to support the ARGUS in the future.

An Ending—Yet a Beginning

As the last pages of this book serve as an end, graduation also serves as an end to our lives as students at H.A.H.S. Graduation serves as an end but also as a beginning. We must now face the future with its new situations. We have goals to accomplish and dreams to make come true.

We have walked the halls of this school many times in the past four years. Memories of the good times, and even the bad ones, fill our minds as we pass through these halls for the last few times. These memories will always be special to each one of us.

One of the hardest parts of this ending is leaving all of our friends that we have grown to know and love. It will be hard to say good-bye to them, but we all must step in new directions. Those we have laughed with and cried with will never be forgotten.

And so as this chapter of our lives is concluded, we say farewell to all at H.A.H.S. We must now move on to other chapters in the book of our lives.
